

SCRAMBLED GAMADGE

by Mark Lagasse

No less than the great Agatha Christie used to say that Elizabeth Daly was her favorite American mystery writer. Daly earned much fame and respect in her own right by chronicling the adventures of her astute amateur detective Henry Gamadge. Just as Henry can always untangle the complexities in his whodunits, we're asking you to untangle the titles of some books in which he appeared. Simply unscramble the letters of each numbered entry to spell the name of a Gamadge novel. For example, HARROWING PIONEER TOWN would be *Arrow Pointing Nowhere*.
