

SCRAMBLED SPENCER II

by Mark Lagasse

In the last issue, we challenged you to come up with the names of some early Robert B. Parker mysteries starring Spencer, a private detective. This time around, we're focusing on some more recent Spencer books. All you have to do is unscramble the letters of each numbered entry to spell the title of one of these novels. For example, I MESSAGE ANOTHER would be *Taming a Sea-Horse*.
