

# SCRAMBLED HITCH

by Mark Lagasse

It was bound to happen! We just had to turn our puzzling spotlight on the master himself, Alfred Hitchcock. Simply unscramble the letters of each numbered entry to spell the title of a movie that Hitchcock directed early in his American career (some later ones will appear in the next issue). For example, A DESPERATE CHAIN would be *The Paradine Case*.

1. PORE
2. IONIC PUSS
3. OUR BEAST
4. CREE CAB
5. I BELT OAF
6. PULLS ON BED
7. GREAT FIGHTS
8. ARROGANT SINNER  
SAT
9. FLORIDA DRUMMER
10. OGRE CONFRONTED  
SNIPER
