| | O. Algebra | X. Pimento |
| | P. University | Y. Essence |

Author: Marilyn Stasio

Work: "Caught on Tape" from *The New York Times*, February 17, 2019

Peter Robinson writes the kind of mysteries they don't write anymore . . . Can you imagine a cop who concludes a suspect interview by saying: "Sorry to have bothered you at dinnertime" . . . That gentlemanly policeman is Alan Banks . . . who appears in *Careless Love*."
